

**EVERYTHING YOU ALWAYS
WANTED TO KNOW ABOUT
SWIM MEETS...BUT, WERE
AFRAID TO ASK**

(or didn't know what to ask):

Swim meets are a great family experience! They're a place where the whole family can spend time together. Listed below are some very in-depth guidelines geared to help you through your first couple of swim meets. It may seem a little overwhelming, but we tried to be as specific and as detailed as we possibly could.

Before the Meet Starts

1. Arrive at the pool at least 15 minutes before the scheduled warm-up time begins.
2. Upon arrival, find a place to put your swimmer's blankets, swim bags and/or sleeping bags. The team usually sits in one place together, so look for some familiar faces.
3. Write each event-number on your swimmer's hand in ink. This helps him/her remember what events he/she is swimming and what event number to listen for.
4. Your swimmer now gets his/her cap and goggles and reports to the pool and/or coach for warm-up instructions. It is very important for all swimmers to warm-up with the team. Swimmer's bodies are just like cars on a cold day-he/she needs to get the engine going and warmed-up before he/she can go all out.
5. After warm-up, your swimmer will go back to the area where his/her towels are and sit there until the next event is called. This is a good time to make sure he/she goes to the bathroom if necessary, gets a drink, or just gets settled in.
5. The meet will usually start about 10-15 minutes after warm-ups are over.
6. According to USA Swimming rules (because of insurance purposes), parents are not allowed on deck unless they are serving in an official capacity. Similarly, all questions concerning meet results, an officiating call, or the conduct of a meet, should be referred to the coaching staff. They, in turn, will pursue the matter through the proper channels.
7. Heat Sheets. A heat sheet is usually available for sale in the lobby or concession area of the pool. It lists all swimmers in each event in order of "seed time". When the team entry is sent in, each swimmer and his/her previous best time in that event is listed.

Meet Starts

1. It is important for any swimmer to know what event numbers he/she is swimming (again, why they should have the numbers on their hand). He/she may swim right away after warm-up or they may have to wait awhile.
2. The swimmer swims their race.

3. After each swim:
 - A. He/she is to ask the timers (people behind the blocks at each lane) his/her time.
 - B. He/she should go immediately to their coach. The coach will ask him/her their time and discuss the swim with each swimmer.
 - C. Generally, the coach follows these guidelines when discussing swims:
 - a. Positive comments or praise
 - b. Suggestions for improvement
 - c. Positive comments

4. Things you, as a parent, can do after each swim:
 - A. Tell him/her how great they did! The coaching staff will be sure to discuss stroke technique with them. You need to tell him/her how proud you are and what a great job he/she did.
 - B. Take him/her back to the towel area and relax.
 - C. This is another good time to check out the bathrooms, get a drink or something light to eat.
 - D. The swimmer now waits until his/her next event is called and starts the procedure again at the "Clerk of Course".

5. When a swimmer has completed all of his/her events he/she and their parents get to go home. Make sure, however, you, as a parent, check with the coach before leaving to make sure your swimmer is not included on a relay. It is not fair to other swimmers who may have stayed to swim on a relay where your swimmer is expected to be a member and he/she is not there. (The coaches speak from experience on this issue).

What Happens If Your Child has a Disappointing Swim

If your child has a poor race and comes out of it feeling bad, talk about the good things. The first thing you say is, "Hey, that is not like you. You're usually a top swimmer." Then you can go on and talk about the good things the child did. You never talk about the negative things.

If your child comes up to you and says, "That was a bad race, don't tell me it wasn't," there is nothing wrong with a swimmer negatively evaluating a race. The important thing is for the child not to dwell on it. You should move the swimmer on to something good. "All right, you have had a bad race. How do you think you can do better next time?" Immediately start talking about the positive things.

What To Take To The Meet

1. Most important: Swim Suit and cap--and goggles (if your swimmer uses them).
2. Baby or talcum powder--To "dust" the inside of swim cap. This helps preserve the cap and makes it easier to put on.
3. Towels--Realize your swimmer will be there awhile, so pack at least two.

4. Something to sit on. Example: sleeping bag, old blanket, or anything that will be comfortable to sit on. The swimmers will be spending a lot of time on it.
5. Sweat suits: bring one. Each swimmer may want to bring two because they can get wet and soggy.
6. T-shirts: Two or three. Same reason as above.
7. Games: travel games, coloring books, books, anything to pass the time.
8. Food: Each swimmer is usually allowed to bring a small cooler. It is better to bring snacks. They usually have snack bars at the meet, but you may want to bring your own food. Suggestions for items to bring:
 Drinks: Hi-C, Fruit juice, Gatorade
 Snacks: Granola bars, Fun fruits, yogurt, cereal, jello cubes, sandwiches

Once you have attended one or two meets this will all become very routine. Please do not hesitate to ask any other South Park Aquatic Club parent for help or information!

These meets are a lot of fun for the swimmers! He/she gets to visit with his/her friends, play games, and meet kids from other teams. He/she also gets to “race” and see how much he/she has improved from all the hard work he/she has put in at practice.

Special Parent’s Note

The pool area is usually very warm. Therefore, you need to make sure you dress appropriately. Nothing is worse than being hot at a swim meet. It makes the time pass very slowly! At some of the meets, the parents are allowed to sit with the swimmers at the blanket area (those are most of the meets not held at the natatorium). If you don’t think that a gym floor is comfortable, feel free to bring folding chairs to sit on.

Very Basic Swimming Rules

Starts

The swimmers are not allowed a false start. If they jump the start and the starter thinks they are trying to get an advantage (whether intentional or not-it does not matter), they will be taken out of the race. This is not like the Olympics where they are allowed two false starts.

Turns and finishes

1. Freestyle: feet have to touch the wall
2. Backstroke: swimmers have to be on their back when they touch the wall. After he/she touches, he/she can then turn around, but he/she must push off on their back. At the finish a swimmer must finish on his/her back. A swimmer may not roll over and grab the wall until they have first touched it.
3. Breaststroke and Butterfly:
 - A. Swimmers have to touch with both hands at the same time.
 - B. A swimmer may not freestyle kick off the wall in either breaststroke or butterfly.

- C. When swimming butterfly, both arms must move at the same time.

CHAMPIONSHIP MEETS

Policy One of our team goals is to qualify as many swimmers as possible for the Championship meet(s). Whether attendance is REQUIRED or OPTIONAL, the Championship meet is a special experience and extremely important in the athletes development.

As our season progresses, all of the swimmers get excited and motivated to “go for a Championship cut”. Unfortunately, some of the swimmers do not have the consistent practice habits nor the USA Swimming meet experience to make the cut, yet, through and extremely psyched swim and a lot of desire, they do the time. Because they don’t have the practices and meet experience, the swimmer will probably not repeat the time at the Championship meet. They really don’t belong there.

As an Age Group swimmer, our swimmers learn they swim faster at the Championship meet than at any other time during the season. They are prepared for this; they are taught this; we practice this. If a young swimmer goes to the Championship meet and is not properly prepared, the experience is negative and can affect other championships later in his/her swimming career.

We, as coaches, believe that the honor of competing in a Championship meet is earned through consistent practice habits and competitive experience at USA Swimming swim meets. There’s a big difference between “wanting” to go to the championships and “deserving” to be at the championships. Talent plays a supporting role to commitment.

To insure that all of our swimmers are properly prepared for their championships:

1. Meet attendance and participation through out the entire season is important. USA Swimming meets offer the experience necessary for the championships.
2. Practice habits must be within our recommendations for the group the swimmer trains with. “Consistency” is the key word.

The AMS Championship is not the ultimate goal. It is a seasonal goal that should lead to Zones, Junior & Senior Nationals, and beyond. Making the “cut off time” is simply a requirement to attend the meet. The goal is to be as prepared as possible and perform to the best of one’s ability at the meet. Sometimes swimmers get the “end” and the “means” mixed up.

Swimmers are special people and deserve to have positive experiences as rewards for their dedication and commitment. Let’s make sure that parents, swimmers, and coaches, are laying the foundation for the best possible experience at the Championship meet.

Prelims & Finals

Meet Format In a preliminaries and finals meet format, the object of the preliminary swim is to qualify for the evening finals session. If a swimmer places among the top 8 (in an 8 lane pool) after his/her morning swim they then qualify to swim in the Championship finals in the evening session. Some meets also swim a Consolation final. If a

swimmer places from 9th - 16th place from preliminaries, he/she qualifies to participate in the Consolation finals in the evening session. In the evening finals session, the Consolation heat is swam first followed immediately by the Championship heat. During the prelims, the results are usually posted within 1/2 hour of the conclusion of the event. If a swimmer does not wish to swim in a final swim he or she may “scratch” the event and not be penalized. This must take place within a half hour of the posting of the preliminary results. Therefore, within approximately 1 hour of the end of an event, a swimmer should know if they have made finals. A swimmer should never leave the meet without making sure if they are a finalist or an alternate. USA Swimming rules dictate that if a swimmer makes a finals event and fails to show up they are bared from participating in their next event. Alternates (the 17th & 18th place swimmers) should check with his/her coach about attending finals.

Circle Seeding Used only in the prelims of Championship meets with events that have “prelims & finals”. This affects only the top 24 seeded swimmers (8 lane pool) which compete in the last 3 heats. All other heats are regular seeding. Circle seeding goes like this: The fastest seeded swimmer will be in the last heat in lane 4. The second fastest swimmer will be in the second to last heat lane 4. The third fastest swimmer will be in the third to last heat lane 4. The fourth fastest swimmer will be in the last heat lane 5 and so on. For an event with 60 swimmers, the seeding would look like this: #=swimmers seed in prelims

	(Lanes 1 - 8)							
	Lane	Lane	Lane	Lane	Lane	Lane	Lane	Lane
Heat 1		#59	#57	#58	#60			
Heat 2	#55	#53	#51	#49	#50	#52	#54	#56
Heat 3	#47	#45	#43	#41	#42	#44	#46	#48
Heat 4	#39	#37	#35	#33	#34	#36	#38	#40
Heat 5	#31	#29	#27	#25	#26	#28	#30	#32
Heat 6	#21	#15	#9	#3	#6	#12	#18	#24
Heat 7	#20	#14	#8	#2	#5	#11	#17	#23
Heat 8	#19	#13	#7	#1	#4	#10	#16	#22

The finals are seeded like a regular meet as are any events that are swam as timed finals such as relays, distance freestyles and other events most often held on Friday evening as a timed finals session.

Awards & Placings

The swimmers who participate in the championship finals receive awards as listed in the meet information. The swimmers who participate in the consolation finals often do not receive awards, but do score points for the team. One very important thing: Once a swimmer has made the championship final, the worst they can place is 8th, regardless of how slow they may swim in finals. The swimmers who participate in the consolation finals may place no better than 9th (the winner of the heat) regardless how fast they swim. It has been known to happen that the winner of the consolation finals swims a time that would have placed him/her 2nd or 3rd in the championship finals, but the highest he/she can score is 9th. That is why it is important to swim very fast in the morning prelims session to make the championship finals. If a swimmer is disqualified in finals, they do not score points or get awards, however, a non-finals swimmer can not be moved up to

score. The place simply is not awarded. Alternates occasionally get to swim and can score the same as any other swimmer.

Receiving Awards in Public

Whenever there is a system of presenting awards at a meet, it is customary for swimmers to be prompt and to cooperate fully with dignity and respect at the presentations. A club uniform is to be worn when accepting the award. It is also customary for South Park Aquatic Club swimmers to be polite and modestly thankful for any awards they receive. It is appropriate to congratulate other swimmers and receive the same with poise and a "thank you". Good sportsmanship is essential. If photos are being taken, we ask the swimmer to remain until the shooting is complete, being sure to cooperate with the photographer. Do not ham it up! The picture may be special to someone else. The image a swimmer presents is a direct reflection of the team.
